**ADMINISTRATIVE LAW JUDGE'S RULING CHANGING DATE
AND VENUE FOR EVIDENTIARY HEARING ON THE
EDISON/ORA RATEMAKING ISSUE**

On May 28, 2002, the Assigned Commissioner, Carl Wood, and Administrative Law Judge (ALJ), Carol Brown, issued a scoping memo that set forth two schedules for this proceeding. One schedule was for ratemaking issues that are of specific concern to Southern California Edison Company (Edison) and the Office of Ratepayer Advocates (ORA), and another schedule for issues relating to the proposed sale of the pipeline facilities that are the subject of this application. This ruling only changes the dates and location for the Edison/ORA ratemaking issues that had been noticed for July 23 and 24, 2002, at the Commission Courtroom in San Francisco. The evidentiary hearing will take place at the Commission Courtroom, State Office building, 320 West 4th Street, Suite 500, Los Angeles, CA, and will be held during the week of

August 12 – 16, 2002, concurrently with the evidentiary hearing on the sale of the pipeline facilities.

The scooping memo directed the parties to hold a prehearing meet-and-confer session no later than August 7, 2000, to discuss witness schedules and the order and time estimates for cross-examination. ORA is to participate in this meet-and-confer and coordinate with the other parties the dates and times for addressing the ORA/Edison ratemaking issues.

ORA and Edison may amend the dates for filing testimony and rebuttal testimony to conform with the amended hearing schedule.

IT IS SO RULED.

Dated July 8, 2002, at San Francisco, California.
